

MAY 10-11TH, 2018 NC LEADERSHIP & WOMEN'S CATTLE HANDLING WORKSHOP

Come and Have Fun Networking with other Women!

The Women's Cattle Handling program is designed to promote self-confidence for women in the cattle industry by giving them hands-on educational opportunities and cattle handling skills implementing Beef Quality Assurance (BQA) methods and promoting farm safety. The workshops will provide hands-on learning in the subject areas of BQA, Low Stress Animal Handling, Reproduction & Calving Management, Truck & Trailer Assessment and Driving, and Tractor Safety. Contact April Shaeffer for more information.
