

Hands-On BLUEBERRY PRUNING WORKSHOP

February 13, 2019 | 1-4 PM

Join us for a classroom presentation on pruning blueberry bushes led by Research Specialist Bill Cline. From there we'll travel a short distance to the Small Farm Unit at the CEFS' Field Research, Education, and Outreach Facility at Cherry Research Farm for pruning demonstration and practice! Please bring loppers and dress appropriately for outdoor demonstration.

[REGISTER HERE](#)

cost: \$10

Location:

Cherry Hospital Conference Center
Montgomery Drive, Goldsboro NC 27530

There is a parking lot next to the Cherry Hospital Conference Center, at the corner of NC-581 (Old Smithfield Road) and Stevens Mill Road (West Ash Street). The entrance to the conference center building is on Montgomery Drive

About Bill Cline:

Researcher and Extension Specialist, Department of Plant Pathology, NC State University

Since 1995 Bill has served as the Blueberry Extension Horticulturist for NC State, supporting Cooperative Extension agents statewide. Cline also maintains the N.C. Blueberry Journal, a blog where he posts information about the latest disease concerns, cultivars, propagation and guidelines for timely blueberry maintenance, such as pruning and fertilizing.
