

# Two Hands-On Workshops: GROWING SHIITAKE MUSHROOMS

**December 4, 2017**  
**9:00am - 3:00pm**

Vance County Farmers Market  
Henderson, NC

**February 8, 2018**  
**9:00am - 3:00pm**

NCDA & CS, Cherry Research  
Farm/CEFS, Goldsboro, NC

These **FREE** workshops are targeting county Extension Agents and other county professionals involved in agriculture and natural resources.

Each workshop will cover all aspects of Shiitake Mushroom Production and include "hands-on" experience where participants will inoculate logs provided by NCA&T.

For safety purposes, each participant need to provide work gloves.

Free lunch will be provided. No registration fee required.

To register for this workshop, please contact Alexis Gaines (336) 285-4661 or [ajgaines@ncat.edu](mailto:ajgaines@ncat.edu). NCCE Agents may register through NCSU - LMS online portal.
